Robert Duke, Watermaster  
Water District 34  
P.O. Box 53  
Mackay, ID 83251

Dear Mr. Duke:

As requested by Young Harvey Walker, the Department has compiled the attached list of stockwater rights in Basin 34, sorted by water source. I have also forwarded an electronic copy of the spreadsheet to you by e-mail. The electronic copy also includes versions sorted by water right number and owner of record, and a list of point of diversion locations.

This list is intended for general reference. If a discrepancy between water use and a water right is suspected, data regarding the water right should be verified by reviewing the individual water right file or by contacting the Department. If you have questions regarding a specific water right or suspect illegal water use at a specific location, please contact me at 208-327-7871.

Sincerely,

Jennifer Berkey  
Water Distribution Section
